**Subject: Stability Study Submission for Sharda Imazapic Technical (EPA Reg. No. 82633-47)**

Dear Mr. Kraft:

Wagner Regulatory Associates, Inc., as agent for Sharda Cropchem Limited (EPA Co. 82633), hereby submits in response to Registration Acceptance Letter dated April 9, 2021, a stability study in support of the above referenced product.

The following documents and studies are attached:

- Letter from Sharda Cropchem Limited appointing Wagner Regulatory Associates, Inc. as its agent
- Application for Pesticide Registration (8570-1)
- Study Number 2020G017 “Accelerated Storage Stability Test of Imazapic Technical” dated June 4, 2020 [MRID: 51556201]
- A copy of EPA Registration Acceptance Letter dated April 9, 2021

If you have any questions about this submission, please contact the undersigned at 302-635-7283 or at email address [annette.marine@wagnerreg.com](mailto:annette.marine@wagnerreg.com).

Respectfully submitted,

Annette Marine  
Agent for Sharda Cropchem Limited
